

CENTRAL STATES PENSION FUND

SINCE 1955

RETIREMENT DECLARATION FORM

I am naming _____, _____ as my retirement date and wish to have my retirement benefits begin _____ (month, day) _____ (year)

as of the first day of the following month. Retirement Date as defined in Section 1.29 of the Pension Plan is the date a Participant stops working in Covered Service and terminates his employment. By signing this document I am attesting that as of the above named Retirement Date, I have terminated my employment, been removed from the seniority list of my Contributing Employer and am not entitled to any further weekly compensation of any kind. In addition, I understand that if I received lump sum payment at termination for accrued but unused vacation, time off or sick pay and this payment was not the result of an employer bankruptcy, shutdown or severance payment, I can begin receiving pension payments from the Fund without being required to wait for the lapse of the period corresponding to the number of weeks of Lump Sum Payment I received. In exchange for being permitted to begin my pension payments in this fashion, I agree to waive any potential claim for pension credit from the Fund I may have in connection with the Lump Sum Payment.

I also certify that:

I have not been employed in any capacity (including self-employment) at any time **after my retirement date**. I agree that if I do become employed after retirement, I will promptly notify the Fund.

Previous Reemployment Rules Exception		Refer to pre-2004 Reemployment Rules which can be found in the Pension Plan		
These Restricted Reemployment Rules became effective on January 1, 2004. If the application of these rules results in a retiree being found to be in Restricted Reemployment based on employment that would not have been prohibited under the previous reemployment rules, the Fund will treat the position as not being Restricted Reemployment.				

* In August 2009, the Trustees approved a change to the reemployment rules which exempts **qualified retirees** age 65 or older from the Pension Fund's reemployment rules and allows them to work in any position for an unlimited number of hours.

To qualify for the post-age 65 exemption to the Reemployment Rules, a retiree must be age 65 or older, and been retired and receiving a pension benefit for at least 12 months, and:

- A. if the Retirement Date is before age 65, did not work in "Restricted Reemployment" for at least 12 consecutive months commencing at age 64 or later, or
- B. if the Retirement Date is at age 65 or older, did not work in "Restricted Reemployment" for any 12 consecutive month period that commences no earlier than 12 months preceding the Retirement Date.

Retirees who meet both conditions can work in any position for an unlimited number of hours and continue to receive their monthly pension benefit. If both of these conditions are not met, Reemployment is limited to 40 hours per month unless the Reemployment is not in the same trade or craft worked while covered by the Pension Fund or the Reemployment is outside the geographical area covered by the Pension Fund; if either is the case, an unlimited number of hours can be worked.

Please contact the Fund to secure approval for this exemption.
